

COVID-19: We are prepared and here for you.

Limited Services Notice

Our lobbies at 1450 Maple Avenue and 4720 Main Street are closed to the public in the interest of safety. Bank management supports the use of masks for health reasons, but we consider the use of a mask in the lobby of a bank a security risk for both bank staff and customers in the event of a robbery. While we can accommodate face-to-face meetings when required, all customers will be required to identify themselves at the walk-up teller window and state the service they require before being admitted to the lobby. To make this a more streamlined process, we suggest that the customer call ahead to make an appointment.

Walk-up services at both offices, as well as our Maple Avenue drive-up services, are open for business and include most teller transactions such as deposits, withdrawals, money orders, cashier's checks and cash advances, in addition to some account services transactions such as CD rollovers, safe deposit box access, and notary services.

We strongly encourage you to contact us at 630-852-3710 for updated information prior to visiting our offices.

Thank you for understanding.
