Complete one of the financial education courses and earn \$20.00.

• BIRTHDAY REWARDS

Spin a prize wheel during the Small Saver's birthday month.

• AUTO SAVINGS PLAN

Automatically transfer Small Saver's allowance to teach the value of saving.

• SWEETS

Earn a FREE sweet for visiting LSB.

TEACHING KIDS ABOUT FINANCE MADE EASY.

LSB partnered with Banzai, an online financial literacy company, where Small Savers have access to three different courses based on age:

- **Banzai Junior** (ages 8-12)
- **Banzai Teen** (ages 13-18)
- **Banzai Plus** (ages 16 and up)

These three courses function like a video game simulation where kids experience real life financial dilemmas. For example, Banzai Junior uses the storyline of a Summer lemonade stand and the goal of a new bike-or hoverboard for the financial daring-

to teach concepts like interest and fees, envelope budgeting, and discretionary income. When the minor on the account brings a certificate of completion to the Bank for completing one of the courses, \$20.00 will be deposited into their account. Minors on the account are eligible to receive this benefit once a year. The Financial Education and Birthday Prize Wheel payments are subject to IRS 1099-INT reporting and may be considered income for tax purposes for the tax year in which the bonus was paid.
